The Beja are an important people group & represent the largest non-Arabic ethnic group between the Nile River & the Red Sea. They are said to be the descendants of Noah's grandson, Cush (son of Ham).

All of the Beja are Muslim & practice "Folk Islam." Their beliefs are interwoven with traditions, believing evil spirits can cause sickness, madness & accidents. Daily Islamic prayers are repetitive, but not largely understood.

This is an unreached people group that one of our GW couples is striving to reach.
