KHALKA MONGOL PEOPLE

STATISTICS

Population - 2,333,000

Religions - Buddhism - 38.50% Ethnic - 33.00%

Christian - 1.50%

Non-Religious - 27.00%

Main Language - Mongolian-Halh

Many Mongols follow Shamanism calling on occultic spiritists to cure the sick or drive out evil spirits through divination, oracles, & astrology. Heaps of stones (Obos), thought to be inhabited by local spirits, are seen on almost every hilltop.

One-third of the country lives in extreme poverty. Rape, murder, alcoholism, & violence are major problems in Mongolia's urban areas today & many young people are involved in criminal gangs.
