RAN* IS a registered Canadian charity which sends and serves global workers to minister among people groups for whom access to the gospel is restricted or blocked, particularly where a non-missionary identity and pioneer approaches or creative strategies are required.

RAN's Field: Restricted Access Nations – The political reality is that many nations in the world restrict access to the gospel for the people within its borders.

RAN's Focus: Unreached People Groups – There are 6,900 unreached people groups in our world. These groups lack enough followers of Christ and resources to evangelize their own people

RAN's Priority: Unengaged people groups — which are understood not only to be "lost" and "unreached" but there is no incarnation gospel witness of any sort amount them (as far as we know). Unengaged groups do not have a single church planting effort in the local language.

How Far Would You Go?

Individual and corporate donations from Canadian addresses will receive a tax receipt or donation summary where applicable at year end. You may cancel at any time.

Thank you for your partnership with us as we release commissioned believers into effective ministry in restricted access nations.
